# WHAT IS A WOMAN'S SEXUAL SIDE?

- ◉ Define Female Sexuality
- ◉ All Women have a Sexual Side
- ◉ Filters determine who she allows access to this side of her

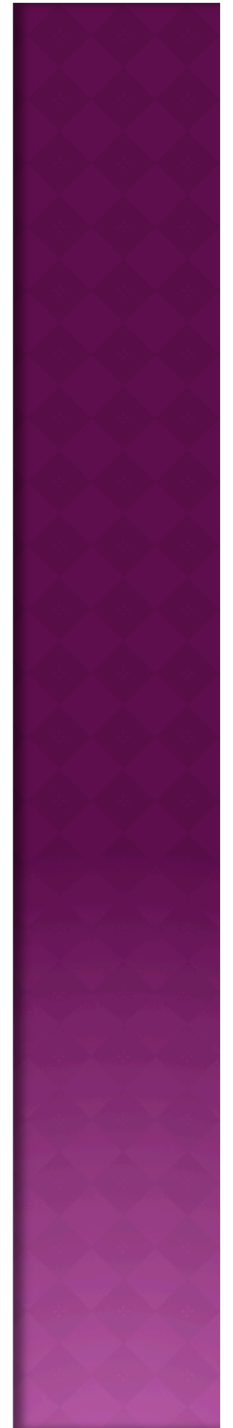

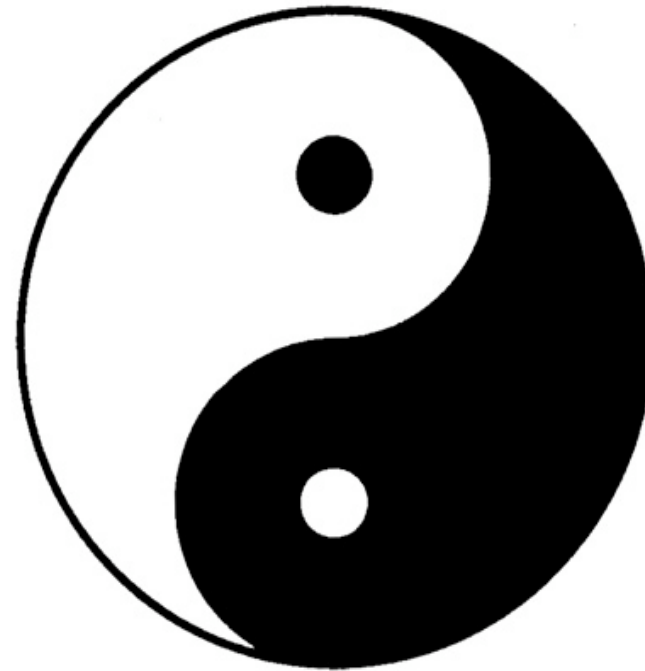

# SUBPERSONALITIES

- A subpersonality is, in transpersonal psychology, a personality mode that kicks in (appears on a temporary basis) to allow a person to cope with certain types of psychosocial situations. The mode may include thoughts, feelings, actions, physiology, and other elements of human behavior to self-present a particular mode that works to negate particular psychosocial situations. The average person has about a dozen subpersonalities.

# SEXUALIZED SELF IMAGES

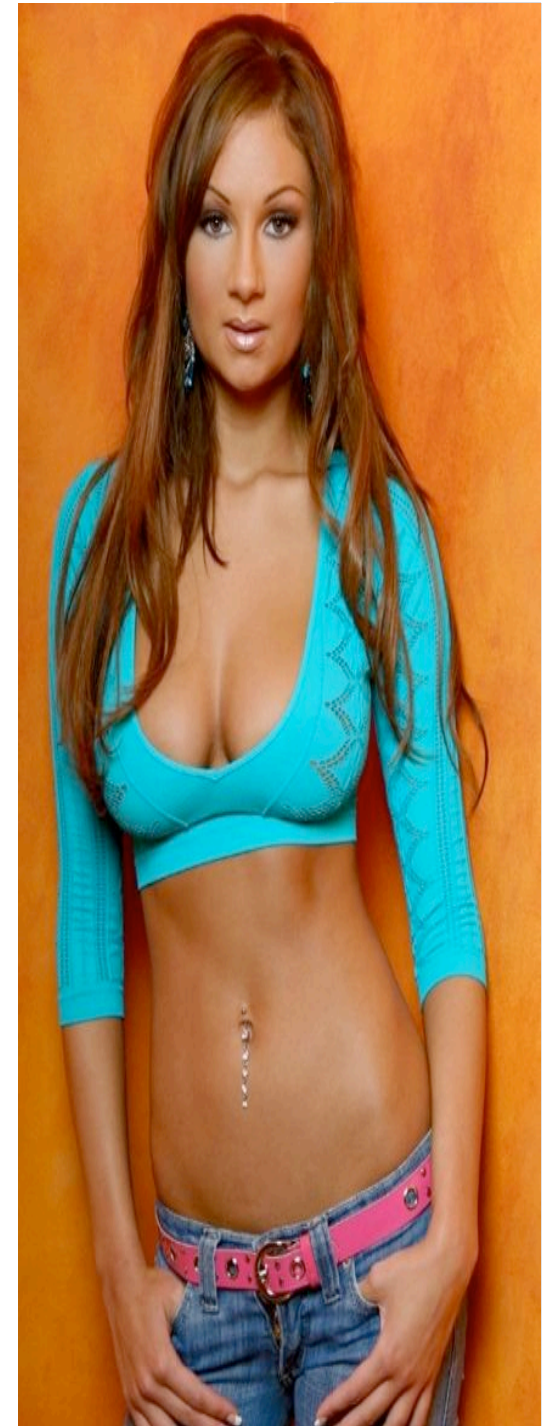

- ◉ What is a self image?
- ◉ A person's **self image** is the mental picture, generally of a kind that is quite resistant to change, that depicts not only details that are potentially available to objective investigation by others, but also items that have been learned by that person about himself or herself, either from personal experiences or by internalizing the judgments of others. A simple definition of a person's self image is their answer to this question - "What do you believe people think about you?"

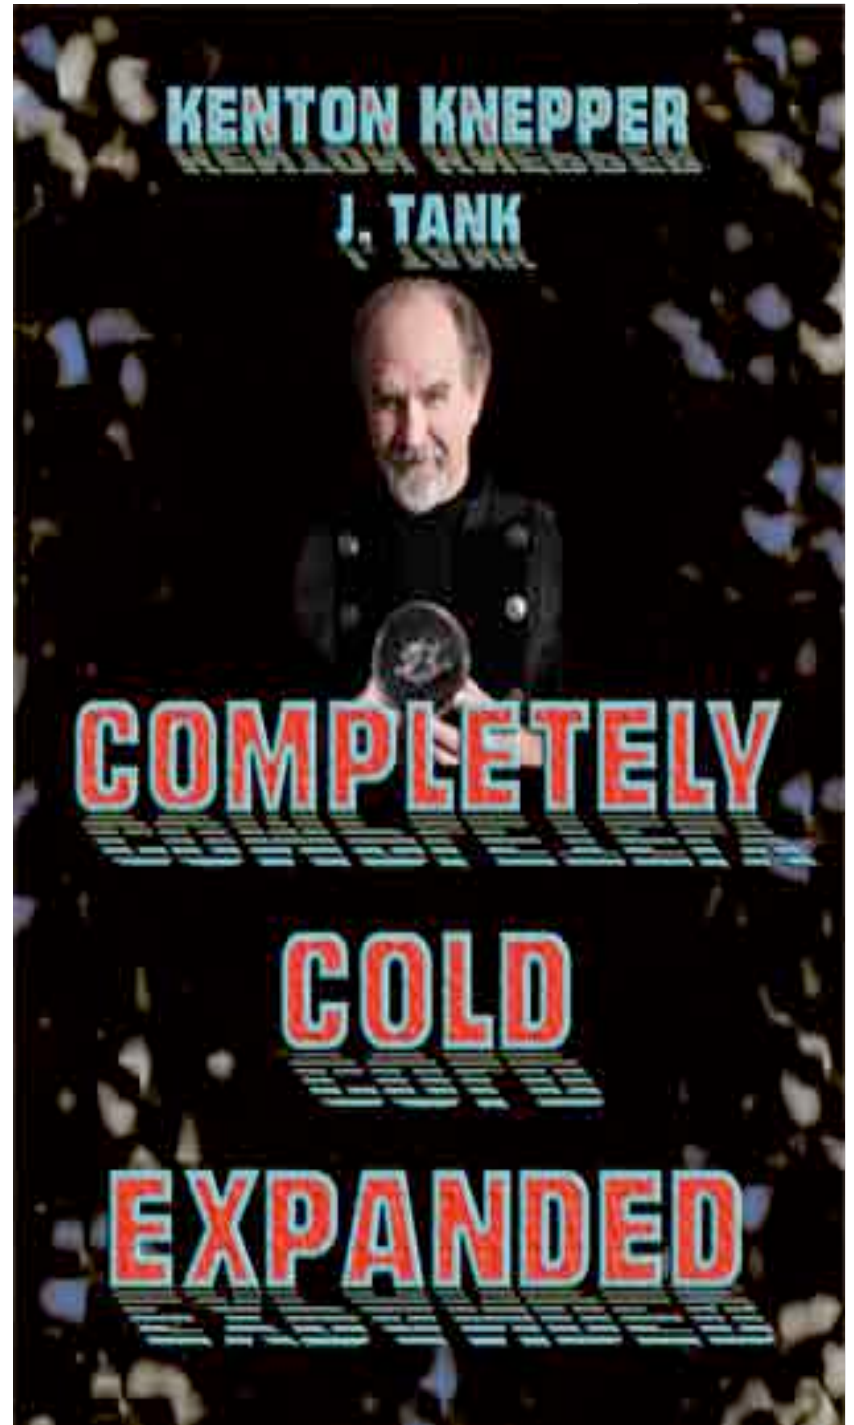

# 3 TOOLS FOR UNLEASHING A WOMAN'S SEXUAL SIDE

- ◉ Cold Reads
- ◉ Sexual Qualifiers
- ◉ Sex Talk

# COLD READS

- ◉ Cold Reading: Cold reading is a series of techniques used by mentalists, illusionists, fortune tellers, psychics, and mediums to determine or express details about another person, often in order to convince them that the reader knows much more about a subject than they actually do

# PACING AND LEADING

- In NLP, this process is referred to as ‘pacing and leading’; making statements (for instance) about the current ‘reality’ for an individual or group before directing their attention somewhere else. For example...
- Pacing:
  - We’re at Krest
  - it’s Friday Night
  - It’s getting late.
- Leading:
  - You seem nervous
  - You’re an intuitive person
  - You just blushed...

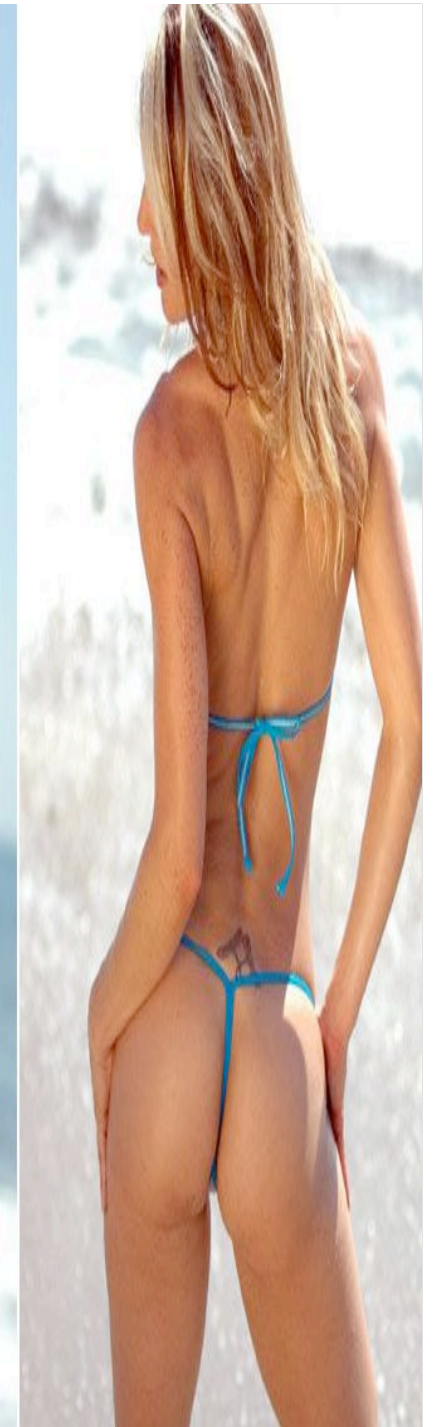

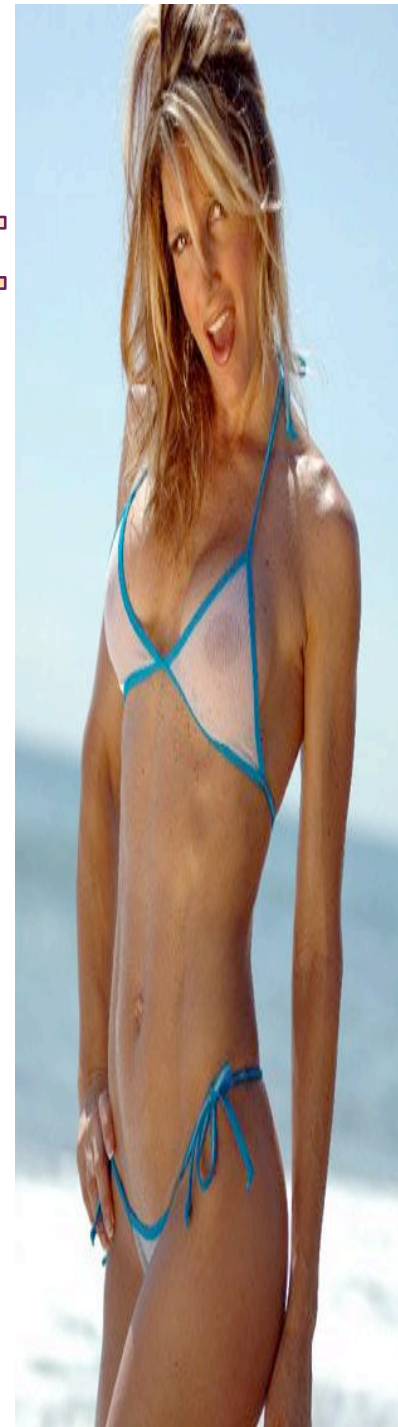

# BUILDING A COLD READ LADDER

- ◉ Cold reads build momentum
- ◉ We want to use less sexual cold reads in the beginning and build up to the super sexual cold reads.
- ◉ Think about it as a ladder, where each cold read builds upon itself.

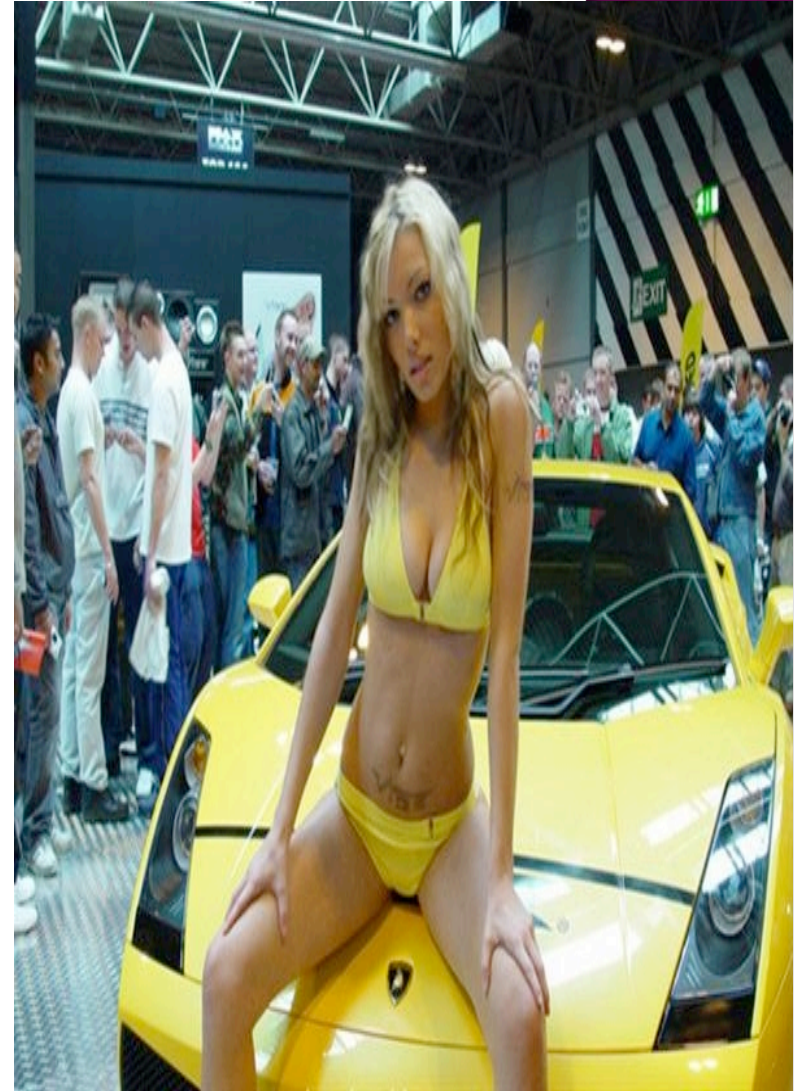

# COLD READ EXAMPLE

- ◉
- ◉ *Like I bet with you, I bet that people really see a totally different side to you than what your close friends might see...*
- ◉ *Like I bet if someone asked you that you work with, what the craziest thing you have ever done, you would probably hold back. But with someone that is really close to you, they would never ask that cause they were probably there when you did it.*
- ◉ *I mean, I can tell just from talking to you, that you probably are one of those people that likes the darker side of things, but only really with people you really are comfortable with...*

# COLD READ EXAMPLE

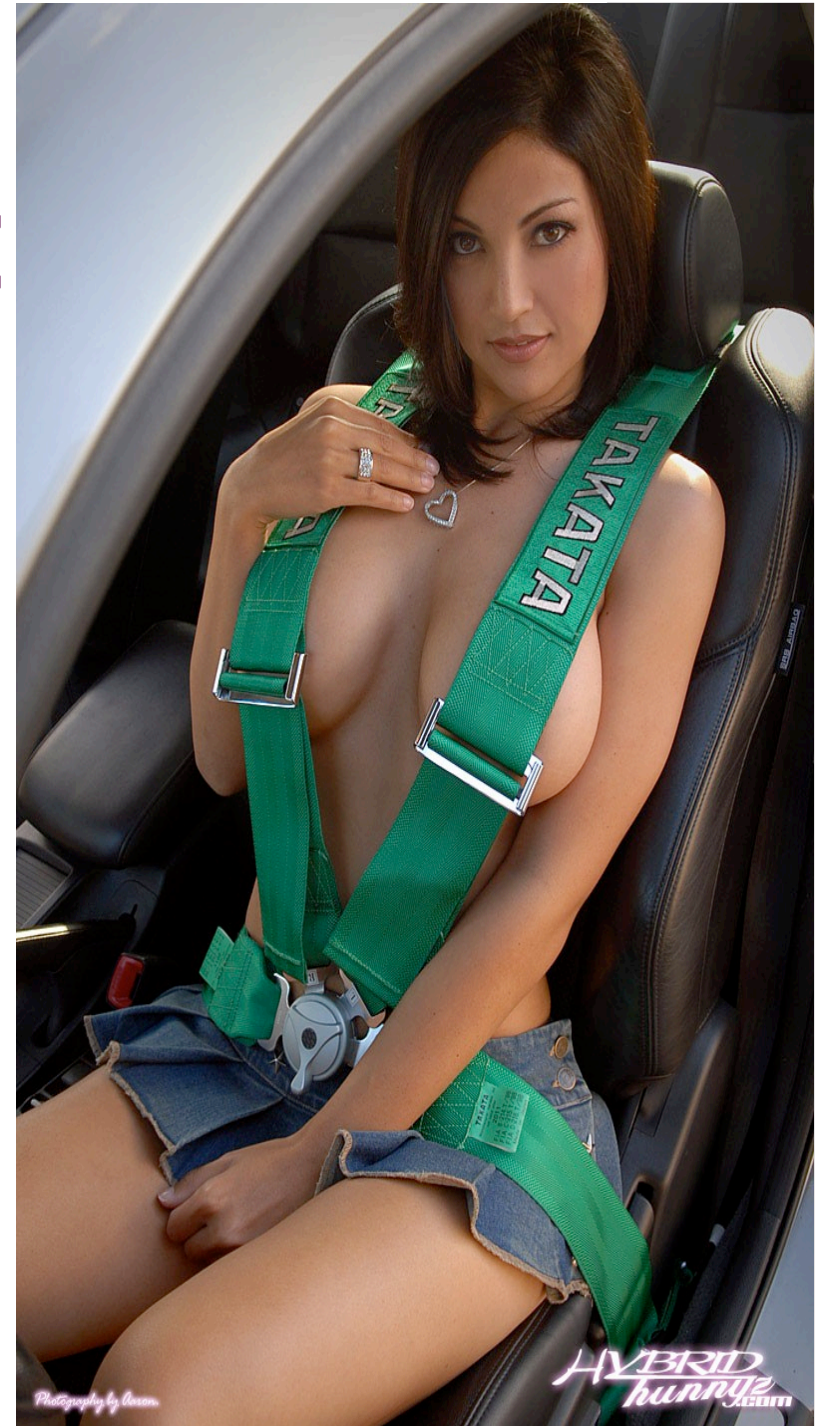

- ◉ Have you ever been in one of those relationships that is totally selfish?
- ◉ Actually forget I said that, I bet you can someone who totally takes and takes and takes. Men are probably afraid to break up with you so they do a bunch of stupid shit so that they get dumped.
- ◉ You know my ex girlfriend really was someone who never had a problem with maintaining attraction, I was always attracted to her.
- ◉ With you I can tell that you can actually push men away, that is just my gut opinion. In the field I work in I am pain for my gut opinion so sorry.

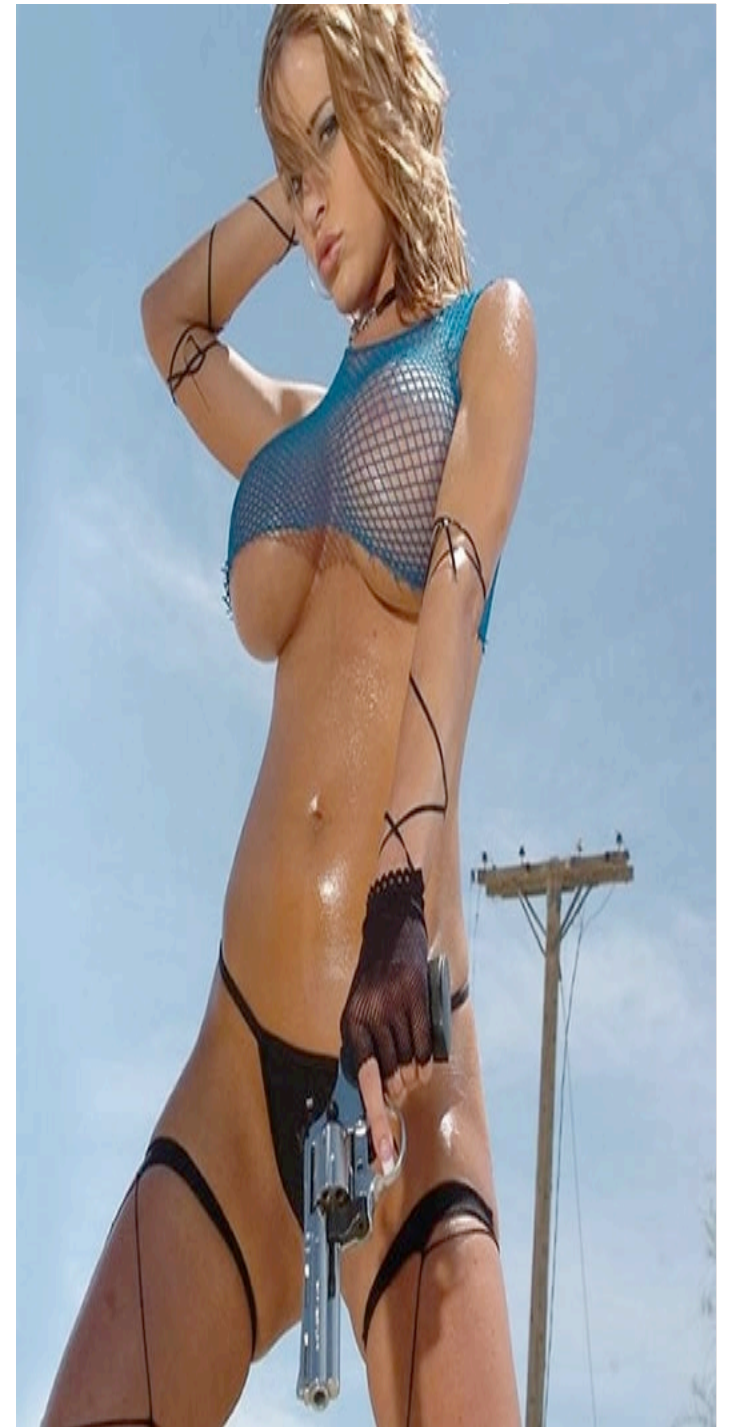

# COLD READ EXAMPLE

- ◉ I can see you as being way too hesitant about things that you like to do and more aggressive over things like...wait you totally have to have all the lights off when you are with a guy.
- ◉ It is like the difference is a couple that has public displays of affection and a couple that will be normal in public but sneak off somewhere and have sex in a bathroom, you need that excitement.
- ◉ You don't have fantasies about things like sex at work or in public, do you?

# COLD READ EXAMPLE

- ◉ I can tell that you either have an older brother or you have always gotten along with older men, in fact I bet with your friends you can be kinda dramatic
- ◉ But here is the other thing with you...
- ◉ When you have a problem with yourself you are actually a very private person. You can actually be really good at keeping a secret.

# COLD READ EXAMPLE

- 
- The thing is that with you being a woman, you actually had to deal with that much more than I. What most guys don't get is that women are more sexual than men, it is just how they express it is socially ridiculed by society they often feel uncomfortable about it.
- If most guys just knew how to let women be women, things would go a lot easier in relationships.

# SEXUAL QUALIFIERS

- ◉ Sexual Qualifiers are used to screen the girl for sexuality and get her used to complying sexually.
- ◉ You can use BHRRR or FQPR to get qualification.
- ◉ You can also use I like girls who statements.

# SEXUAL QUALIFIER EXAMPLE

- ◉ Bait: What is your favorite place on your body to be kissed besides your lips?
- ◉ Hook: Neck
- ◉ Reel: Kiss her neck, then her ears, and say “ So you think, this is better than this...”
- ◉ Release: That’s all you get. For now.

## SEXUAL QUALIFIER EXAMPLE

- ◉ Bait: What are you into sexually?
- ◉ Hook: She answers
- ◉ Reel: That's hot, ( feed back description to her).
- ◉ Release: We better stop before I need a cold shower.
- ◉ Rapport: What's the weirdest place you've ever had sex.
